INDEPENDENT AUDITOR'S REPORT

Board of Directors
The Aplastic Anemia & MDS Foundation, Inc.
Rockville, Maryland

We have audited the accompanying financial statements of The Aplastic Anemia & MDS Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Aplastic Anemia & MDS International Foundation, Inc. as of December 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Aplastic Anemia & MDS Foundation, Inc. (the Foundation) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Nature of the Organization

The Aplastic Anemia & MDS Foundation, Inc. (the Foundation) is a nonprofit organization, incorporated on December 6, 1983 in the State of Maryland and located in Rockville, Maryland.

The Foundation was formed to provide patient education, assistance, advocacy, and support, to create and distribute educational materials and medical information, and to support research to find treatment for various bone marrow diseases, including Aplastic Anemia (AA), Myelodysplastic Syndromes (MDS), Paroxysmal Nocturnal Hemoglobinuria (PNH), and related bone marrow failure diseases.

The Foundation receives financial support from individual, corporate, foundation, Board contributions, and fundraising events, as well as income from investment sources and contributions from localized patient-support groups which fundraise independently of the Foundation.

The Foundation has allocated its resources among the following programs:

Research Programs - Research grant program supports grantees who have devoted their careers to bone marrow failure research. It also sponsors a PNH Patient Registry as an opportunity for PNH patients to advance research by sharing their experience with PNH.

Patient Programs - Educational conferences for patients and their caregivers, website, webinars, podcasts, videos, printed and electronic educational literature, and direct financial support for patient travel and medical expenses.

Health Professional Programs - Professional conferences, access to disease-specific studies, and toolkits and other resources for healthcare professionals.

Awareness and Outreach - The Foundation utilizes a number of platforms to increase awareness of Aplastic Anemia, MDS, PNH and other rare blood diseases, including website (aamds.org), social media campaigns, advocacy and other community outreach activities.

Supporting services at the Foundation include the following functional categories:

Management and General - Management and general expenses include those expenses for the overall operating and management of the Foundation, including accounting, office management, record keeping, and other centralized services and related administrative activities.

Fundraising Activities and Events - Fundraising includes publicizing and conducting fundraising campaigns, maintaining donor mailing lists, conducting special fundraising events, and other activities involved with soliciting contributions from individuals, foundations, corporations and others.

INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Cash and Cash Equivalents

The Foundation considers all cash in its investment accounts and other highly liquid investments with initial maturities of three months or less to be cash equivalents. Cash equivalents are carried at cost, which approximates market value.

Contributions and Grants Receivable

Contributions and grants receivable that are expected to be collected in future years are recorded at their fair value, measured as the present value of their future cash flows. The discounts on these amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in grants and contribution revenue. Conditional promises to give, those with a measurable barrier and right of return, are not included as support until the conditions are substantially met. All contributions and grants receivable are considered by management to be fully collectible and due within one year. Accordingly, an allowance for uncollected promises or discount has not been established.

Investments

Investments are recorded at their readily determinable fair value. Interest, dividends, realized and unrealized gains and losses are included in investment returns, net of investment expenses provided by external investment advisors, in the accompanying statements of activities.

Fair Value Measurements

The Foundation has adopted the provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurements. The Foundation accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement.

**THE APLASTIC ANEMIA & MDS
INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

Property and Equipment

Fixed assets with acquisition costs of \$500 or more are stated at cost and depreciated using the straight-line method over the estimated useful lives of the related assets, generally three to seven years. The cost of maintenance and repairs is recorded as expenses are incurred. Depreciation expense for the years ended December 31, 2025 and 2024 totaled \$52,019 and \$47,462, respectively.

Net Assets

Net assets, revenue, gains, and losses are classified based on the existence or absence of contributions with donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor restrictions are recorded as net assets without donor restrictions. Assets restricted solely through the actions of the Board are referred to as Board-designated and are also reported as net assets without donor restrictions.

Net assets with donor restrictions - Donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from donor restrictions. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue without donor restrictions when the assets are placed in service.

Some net assets with donor restrictions include a stipulation that assets provided be maintained permanently (perpetual in nature), while permitting the Foundation to expend the income generated by the assets in accordance with the provisions of additional donor-imposed stipulations or a Board-approved spending policy.

Revenue Recognition

Contributions and grants - non-exchange transaction

The Foundation's support is received through contributions and grants from individuals and other entities. Contributions and grants are recognized in the appropriate category of net assets in the period received. The Foundation performs an analysis of the individual contribution and grant to determine if the revenue streams follow the contributions rules or if considered an exchange transaction depending on whether the transaction is reciprocal or nonreciprocal.

**THE APLASTIC ANEMIA & MDS
INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

Revenue Recognition (Continued)

Contributions and grants - non-exchange transaction (Continued)

For contributions and grants qualifying under the contribution rules, support is recognized upon notification of the award and satisfaction of all conditions, if applicable. Conditional promises to give are not recognized until the condition on which they depend are substantially met. Unconditional contributions and grants that have donor restrictions are recognized as without donor restrictions only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions; such funds in excess of expenses incurred are shown as net assets with donor restrictions in the accompanying financial statements.

Contributed goods, services and securities

Contributed goods, services and securities include t-shirts, hats, office supplies, presentation services (honoraria), and donated securities. Contributed goods and services are reflected as contributions at their fair value at the date of donation and are reported as unrestricted support unless explicit donor stipulations specify how donated assets must be used. The fair value of contributed presentation services is determined by the amount the Foundation offered as honoraria. Contributed securities are reported at the fair value on the date the securities are received.

Contributed goods and services are utilized by the Foundation's programs and supporting services. Contributed securities are sold as soon as the securities are received per the Foundation's investment and gifts policy.

The Foundation recognizes the fair value of contributed services received if such services either create or enhance nonfinancial assets or require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not contributed. These amounts have been reported as contributed goods, services and securities in the statements of activities and included in professional contract services, information technology and awards, grants and honoraria expenses on the statements of functional expenses.

Volunteers contribute significant amounts of time to the Foundation's programs and fundraising campaigns; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles.

**THE APLASTIC ANEMIA & MDS
INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

Revenue Recognition (Continued)

Grants - exchange transaction

Grant agreements classified as exchange transactions follow FASB ASC 606, *Revenue from Contracts with Customers*, and revenue is recorded when the performance obligations are met. The revenue is recorded as without donor restrictions and the transaction price is based on expenses incurred in compliance with the criteria stipulated in the grant agreements.

Receivables from exchange transaction grants represent amounts due for reimbursable expenses incurred in accordance with the grant and contract agreements. The allowance for credit losses is estimated using relevant available information, from internal and external sources, relating to past events and current conditions. The Foundation has elected to consider subsequent cash collections through the date the financial statements are available to be issued in estimating expected credit losses. Funding received in advance of incurring the related expenses is recorded as deferred revenue.

Expense Allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and the statements of functional expenses. Expenses that can be identified with a specific program or supporting service are charged directly to that program or supporting service. Supporting services are comprised of management and general and fundraising activities and events and include those costs that are not directly identifiable with any specific program but provide for the overall support and direction of the Foundation. The expenses that are allocated include certain office expenses, information technology, occupancy, and depreciation and amortization, which are allocated based on time and effort spent by the Foundation's personnel in such functions.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Tax Exempt Status and Income Tax Positions

The Foundation is exempt from federal and state income taxes (except taxes on unrelated business income) under Section 501(c)(3) of the Internal Revenue Code and is classified by the Internal Revenue Service as *other than a private foundation*. No provision for income taxes is required for the years ended December 31, 2025 and 2024 since the Foundation had no taxable income from unrelated business activities.

**THE APLASTIC ANEMIA & MDS
INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)**

Tax Exempt Status and Income Tax Positions (Continued)

The income tax positions taken by the Foundation for any years open under the various statutes of limitations are that the Foundation continues to be exempt from income taxes and it has properly reported unrelated business income that is subject to income taxes. The Foundation believes that there are no tax positions taken or expected to be taken that would significantly increase unrecognized tax liabilities within 12 months of the reporting date. The Foundation evaluated its uncertainty in income taxes and determined that there were no matters that would require recognition in the financial statements or that may have any effect on its tax-exempt status. None of the Foundation's federal tax returns are currently under examination.

Leases

Effective January 1, 2022, the Foundation adopted the requirements of ASC 842, *Leases*. This new standard establishes a right-of-use (ROU) model that requires a lessee to record a ROU asset and a lease liability in the statement of financial position for all leases with terms longer than 12 months. Leases are classified as finance leases when the Foundation expects to consume a major part of the economic benefits of the leased assets over the remaining lease term. Conversely, if the Foundation is not expected to consume a major part of the economic benefits of the leased assets, then they are classified as operating leases.

Leases with a term of less than 12 months will not be recorded as the ROU assets and lease liabilities, and the payments will be recognized into profit or loss on a straight-line basis over the lease term.

Total lease cost consists of two components: amortization expense related to the write-off of the ROU assets and interest expense from lease liabilities. For operating leases, total lease cost is measured and recorded on a straight-line basis over the lease term. Lease liabilities are measured and recorded at the present value of future lease payments using a discount rate. Because the Foundation generally does not have access to the rate implicit in each lease, lease liabilities are measured using the risk-free rate as the discount rate. ROU assets are generally measured and recorded at the sum of the lease liability, any initial direct costs to consummate the lease, and any lease payments made on or before the commencement date.

**THE APLASTIC ANEMIA & MDS
INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

NOTE 2 - CONCENTRATIONS AND RISKS

Concentration of Donors

For the year ended December 31, 2025, two donors accounted for 35% of the contributions and grant support and three donors accounted for 99% of contributions and grants receivable. For the year ended December 31, 2024, three donors accounted for 54% of the contributions and grant support and two donors accounted for 95% of contributions and grants receivable.

If a significant reduction in these donors should occur, it may have an effect on the Foundation's programs.

Concentration of Credit Risk

The Foundation's investments are exposed to various risks such as market conditions and credit/interest rate fluctuation. Due to the level of risk associated with such investments, and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risks in the near term could materially affect investment balances and the amounts reported in the financial statements.

The Finance Committee of the Board regularly monitors the Foundation's investment portfolio consistent with the Foundation's Investment Policy Guidelines and discusses the performance of the Foundation's investment portfolio with the Foundation's external investment advisors. Based on those discussions, the Finance Committee recommends changes in investment allocations, changes in managers or makes other recommendations to the Board to preserve the Foundation's liquidity and long-term investment stability. Investments in marketable securities with readily determinable fair values are reported at their fair values in the statements of financial position.

The Foundation maintains cash deposit and transaction accounts, along with investments, with financial institutions that may exceed insurable limits under the Federal Deposit Insurance Corporation (FDIC) and the Securities Investor Protection Corporation (SIPC). The Foundation has not experienced any credit losses on its cash and investments to date, as it relates to FDIC and SIPC insurance limits. Management assesses the financial condition of these financial institutions and believes that the risk of any credit loss is minimal.

NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

NOTE 3 - INVESTMENTS

As of December 31, 2025 and 2024, investments at fair value consisted of the following:

	<u>2025</u>	<u>2024</u>
Corporate bonds	\$ 1,921,060	\$ 1,687,557
Common stocks	1,830,802	1,509,382
Mutual funds	-	330,113
Exchange-traded funds	<u>1,347,405</u>	<u>630,254</u>
Total investments	<u>\$ 5,099,267</u>	<u>\$ 4,157,306</u>

For the years ended December 31, 2025 and 2024, net investment returns included the following:

	<u>2025</u>	<u>2024</u>
Interest and dividends	\$ 144,780	\$ 160,353
Unrealized gains	617,601	141,232
Realized (losses) gains	(3)	29,395
Less, management fees	<u>(29,069)</u>	<u>(14,814)</u>
Total investment returns, net	<u>\$ 733,309</u>	<u>\$ 316,166</u>

NOTE 4 - LEASES

Equipment Lease

In April 2024, the Foundation entered an equipment lease for 63 months beginning in July 2024. Monthly payments are \$384 plus a surcharge of \$51, totaled \$435. The lease is classified as a finance lease and expires in September 2029.

**THE APLASTIC ANEMIA & MDS
INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

NOTE 4 - LEASES (Continued)

Office Lease

The Foundation entered into a new office lease agreement for 81 months beginning in June 2024. Base rent is \$99,420 per year, plus a proportionate share of expenses, and base rent increases by a factor of 2.5% each year. Under the terms of the lease, the landlord granted the Foundation an abatement of base rent for the first nine months after the commencement date. The landlord offered an option of converting the abatement into moving allowance for up to \$18,641 and the Foundation opted out from this option in 2024. The lease is classified as an operating lease and expires in February 2031.

As of December 31, 2025 and 2024, the right-of-use assets related to the finance and operating leases were as follows:

	<u>2025</u>	<u>2024</u>
Right-of-use asset - finance:		
Cost	\$ 24,476	\$ 24,476
Less: accumulated amortization	<u>(6,438)</u>	<u>(2,100)</u>
Right-of-use assets - finance, net	<u>\$ 18,038</u>	<u>\$ 22,376</u>
Right-of-use asset - operating:		
Cost	\$ 543,263	\$ 543,263
Less: accumulated amortization	<u>(112,167)</u>	<u>(41,132)</u>
Right-of-use assets - operating, net	<u>\$ 431,096</u>	<u>\$ 502,131</u>

INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

NOTE 5 - CHARITABLE REMAINDER TRUST

In 2004, the Foundation received a remainder interest in a donor's personal residence subject to a retained life estate. In 2016, the arrangement was amended to provide continued occupancy rights to the donor's spouse following the donor's death. The beneficial interest is measured at the present value of the estimated future benefit to be received. The fair value of the underlying property was \$875,000 and \$760,000 as of December 31, 2025 and 2024, respectively.

The present value of the remainder interest is determined using estimated life expectancy assumptions for the life tenants and a discount rate of 6%. As of December 31, 2025 and 2024, the remainder interest was \$289,199 and \$236,972, respectively. Changes in the value of the remainder interest are reported in wills and change in fair value of trust revenue line item in the statements of activities.

NOTE 6 - FAIR VALUE MEASUREMENTS

In accordance with FASB ASC 820, *Fair Value Measurement*, the Foundation has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Investments recorded in the statements of financial position are categorized based on the inputs to valuation techniques as follows:

Level 1. These are investments where values are based on unadjusted quoted prices for identical assets in an active market that the Foundation has the ability to access.

Level 2. These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full term of the investments.

**THE APLASTIC ANEMIA & MDS
INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

Level 3. These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024:

- Corporate bonds - Generally valued at the most recent price of the equivalent quoted price for such securities, classified within Level 2.
- Common stocks - Valued at the closing price reported on the active market in which the individual securities are traded, classified within Level 1.
- Mutual funds and exchange-traded funds - Valued at the daily closing price as reported by the fund, classified within Level 1. Mutual funds and exchange-traded funds held by the Foundation are open-end mutual funds and exchange-traded funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price.
- Charitable Remainder Trust - Valued at the estimated present value of the appraised value of a life tenancy agreement, classified within Level 3.

As of December 31, 2025 and 2024, the tables below present the fair value of the investments and Charitable Remainder Trust by level within the hierarchy.

	December 31, 2025			Total
	Level 1	Level 2	Level 3	
Corporate bonds	\$ -	\$ 1,921,060	\$ -	\$ 1,921,060
Common stocks	1,830,802	-	-	1,830,802
Exchange-traded funds	1,347,405	-	-	1,347,405
Total investments	3,178,207	1,921,060	-	5,099,267
Charitable Remainder Trust	-	-	289,199	289,199
Total investments and Trust	<u>\$ 3,178,207</u>	<u>\$ 1,921,060</u>	<u>\$ 289,199</u>	<u>\$ 5,388,466</u>

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Corporate bonds	\$ -	\$ 1,687,557	\$ -	\$ 1,687,557
Common stocks	1,509,382	-	-	1,509,382
Mutual funds	330,113	-	-	330,113
Exchange-traded funds	630,254	-	-	630,254
Total investments	2,469,749	1,687,557	-	4,157,306
Charitable Remainder Trust	-	-	236,972	236,972
Total investments and Trust	<u>\$ 2,469,749</u>	<u>\$ 1,687,557</u>	<u>\$ 236,972</u>	<u>\$ 4,394,278</u>

There were no transfers between levels in the fair value hierarchy during the years ended December 31, 2025 and 2024. Transfers between levels are recorded at the end of the reporting period, if applicable.

The following table provides a summary of changes in fair value of the Foundation's Charitable Remainder Trust asset for the years ended December 31, 2025 and 2024:

	2025	2024
Balance, beginning of year	\$ 236,972	\$ 398,820
Present value adjustment	52,227	(161,848)
Balance, end of year	<u>\$ 289,199</u>	<u>\$ 236,972</u>

The change in present value adjustment has been reported in the statements of activities in the revenue with donor restrictions.

NOTE 7 - BOARD-DESIGNATED NET ASSETS WITHOUT DONOR RESTRICTIONS

The Board of Directors has designated funds to be used to support grants given for research in finding treatments for various bone marrow failure diseases. Changes in the Board-designated net assets for the years ended December 31, 2025 and 2024 are as follows:

	<u>2025</u>	<u>2024</u>
Board-designated net assets, beginning of the year	\$ 60,000	\$ 90,000
Releases	<u>(30,000)</u>	<u>(30,000)</u>
Board-designated net assets, end of the year	<u>\$ 30,000</u>	<u>\$ 60,000</u>

NOTE 8 - NET ASSETS WITH DONOR RESTRICTIONS

The Foundation's net assets with donor restrictions consisted of the following as of December 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Subject to time restriction:		
Charitable Remainder Trust	<u>\$ 289,199</u>	<u>\$ 236,972</u>
Subject to expenditure for specified purposes:		
Fundraising	-	15,000
Health Professional Education Programs	95,000	25,000
Patient educational programs and conferences	160,000	175,000
Research	<u>359,461</u>	<u>962,646</u>
	<u>614,461</u>	<u>1,177,646</u>
Total net assets with donor restrictions	<u>\$ 903,660</u>	<u>\$ 1,414,618</u>

**THE APLASTIC ANEMIA & MDS
INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

NOTE 8 - NET ASSETS WITH DONOR RESTRICTIONS (Continued)

The following net assets with donor restrictions were released from donor restrictions, for the years ended December 31, 2025 and 2024 by incurring expenses, which satisfied the restricted purposes specified by the donors:

	<u>2025</u>	<u>2024</u>
Awareness	\$ 150,000	\$ 75,000
Fundraising	15,000	15,000
Health Professional Education Programs	285,000	310,000
Patient educational programs and conferences	697,485	653,615
Research	<u>1,565,147</u>	<u>862,235</u>
Total net assets released from donor restrictions	<u>\$ 2,712,632</u>	<u>\$ 1,915,850</u>

NOTE 9 - EMPLOYEE RETENTION CREDIT

In July 2025, the Foundation received the Employee Retention Credit (ERC) for \$134,856. The ERC was established by the Coronavirus Aid, Relief, and Economic Security Act, and subsequently amended by the Consolidated Appropriations Act of 2021, the American Rescue Plan Act and the Infrastructure Investment and Jobs Act. The Foundation accounts for ERC as conditional contributions under ASC 958-605 and recognizes revenue upon receipt of cash from the Internal Revenue Service (IRS), at which point management concludes that all substantive barriers to entitlement have been overcome. Amounts received are reported as Employee Retention Credit in the statement of activities for the year ended December 31, 2025.

In 2024, the IRS made a \$7,000 adjustment to a prior ERC claim originally received in August 2023. This amount was paid in 2025 and recorded as an increase to payroll tax expense in the statement of functional expenses.

The ERC program involves complex rules and is subject to interpretation and potential examination by the IRS, which may result in adjustments. The Foundation is required to retain supporting documentation for ERC claims, and such claims may be subject to extended statutes of limitations.

**THE APLASTIC ANEMIA & MDS
INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

NOTE 10 - CONTINGENCY

During the years ended December 31, 2021 and 2020, the Foundation entered into U.S. Small Business Administration (SBA) PPP loans in the principal amounts of \$182,336 (PPP2 Loan) and \$182,300 (PPP1 Loan). The PPP2 Loan was forgiven on December 27, 2021, and the PPP1 Loan was forgiven on June 14, 2021.

According to the rules of the SBA governing the PPP Loan Program, the Foundation is required to retain documentation for six years after the date of the loans were forgiven and permit authorized representatives of the SBA to access such files upon request.

NOTE 11 - RETIREMENT PLAN

The Foundation established and maintains an independent 403(b) retirement plan (the Plan). The Plan is available to full-time and part-time employees who are at least 21 years old. The Foundation currently matches 100% of employee deferral contributions, up to 4% of eligible compensation. The Foundation contributed \$30,885 and \$25,243 for the years ended December 31, 2025 and 2024, respectively, which is included in employee benefits expense in the accompanying statements of functional expenses.

NOTE 12 - LIQUIDITY AND AVAILABILITY

Financial assets available for use within one year of the statement of financial position were comprised of the following at December 31, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents	\$ 1,984,428	\$ 1,560,518
Contributions and grants receivable	186,785	722,213
Investments	<u>5,099,267</u>	<u>4,157,306</u>
Total financial assets	7,270,480	6,440,037
Less: financial assets unavailable for expenditure within one year due to:		
Net assets with donor restrictions for special purposes	(129,461)	(172,474)
Board-designated net assets	<u>(30,000)</u>	<u>(60,000)</u>
Financial assets available to meet cash needs for general expenditure within one year	<u>\$ 7,111,019</u>	<u>\$ 6,207,563</u>

**THE APLASTIC ANEMIA & MDS
INTERNATIONAL FOUNDATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
For the years ended December 31, 2025 and 2024**

NOTE 12 - LIQUIDITY AND AVAILABILITY (Continued)

The Foundation has a policy to structure their financial assets to be available and liquid as their obligations become due.

The Foundation has certain donor-restricted net assets that are available for general expenditures within one year of the statement of financial position date, because the restrictions on the net assets are expected to be met by conducting the normal activities of the programs in the coming year. Accordingly, the related resources have been included in the quantitative information detailing the financial assets available to meet general expenditures within one year. Additionally, they have a Board-designated reserve which they may draw upon, pending Board approval.

NOTE 13 - SUBSEQUENT EVENTS

In preparing these financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through June 17, 2026, which is the date the financial statements were available to be issued. There were no subsequent events noted that required adjustments to, or disclosure in, these financial statements.
